

**REMARKS**

**Status of the Claims**

Claims 1, 4-5, 8-10, 12-14 and 17-21 are previously pending in the application. In the Office Action of August 19, 2011, claims 1, 4-5, 8-10, 12-13 and 18-21 are allowed, and claims 14 and 17 are rejected.

In this amendment, claims 4, 14, 17 and 19 are canceled, claims 1, 5, 8-10, 12, 13, 18, and 20-21 are amended, and new claims 22-30 are added. Applicant respectfully requests a reconsideration of the claims in view of the following remarks.

**Claim Rejections under 35 USC §102 and §103**

Claim 14 is rejected under 35 USC §102(b) as being anticipated by the Applicant's Admitted Prior Art (AAPA).

Claim 17 is rejected under 35 USC §103(a) as being unpatentable over AAPA and further in view of Gehrmann and Haverinen.

Claims 14 and 17 are hereby canceled, without prejudice or disclaimer of the subject matter recited therein. Applicant reserves the right to pursue the original scope of the canceled and/or amended claims in this or another application.

The rejections of these claims are moot.

**Amendment to the Allowed Claims**

Applicant acknowledges with appreciation the indication of the allowable subject matter in claims 1, 4-5, 8-10, 12-13 and 18-21 in the Office Action. In response, claims 4 and 19 are canceled, and claims 1, 5, 8-10, 12, 13, 18, and 20-21 have been amended to make the claims more clear and place the claims in better condition for allowance. It is believed that the amendments to these claims do not alter the scope of the claimed invention, and no new matter has been introduced by these amendments. As a result, the above allowed claims should still be allowable.

### New Claims

The newly added claims 22-30 are drawn to a mobile terminal corresponding to the above allowed method claims, thus the newly added claims 22-30 are also allowable.

### Conclusion

It is believed that Applicant has made a diligent effort to place the application in condition for allowance. However, should there remain unresolved issues that require further actions, the Examiner is respectfully requested to contact the undersigned at the email address or telephone numbers indicated below.

A petition for three-month time extension and an amount of fees required are submitted herewith. The Office is hereby authorized to charge any unpaid fees deemed required in connection with this submission, or to credit any overpayment, to applicant's Deposit Account No. **50-4983**.

Respectfully submitted,

February 17, 2012
